BRIEF ABSTRACT OF LETTER

NOTES AND ORDERS.

The letter dated 18.2.1936 from the Dy. Commr. Hassan explains the facts of the case. The recommendation of the Dy. Commr. to make a grant of Rs 500 for the work in question is for order.

The Dy. Commr., Hassan dt., reported 1/4/36 in his letter No. C. 2107-33 dated 24th Feb. 1935, that the prof Executive Engineer prop-

prepared an estimate for Rs 1190 for re-building the temple with an extent of 4 ankunas. But the people of the village wanted to build a temple of 10 ankunas and promised to find the amount required. Thereupon the Executive Engineer prepared an estimate for Rs 2200. This ~~was~~ people of the village had agreed to meet the cost of the re-building the temple themselves. — (Vide the letter of the Dy. Commr., Hassan dt., dated 25.10.35). If the people of the village cannot find the money required for building a temple of 10 ankunas, it is a point for orders whether it is not enough if a temple of 4 ankunas is built according to the original estimate and whether enquiries may be ^{made} if the villagers can meet the cost of ~~the~~ building a temple of 4 ankunas. This is suggested in view of the recent D.C. of the Financial Secretary requesting that all avoidable expenditure should be avoided, as the revenue is not expected to come up to the expectations of Govt.

OFFICE OF THE MUZRAI COMMISSIONER,
IN MYSORE,

Dated, Bangalore, 25th March 1936.

FROM

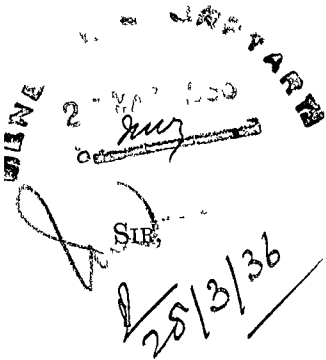

K. V. ANANTARAMAN, Esq., B.A.,
~~N. MADHAVA RAO, Esq., B.A., B.L.,~~

Muzrai Commissioner in Mysore

To

M. Venkatesa Iyengar, Esq., B.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.

Re-construction of Sri Eswaradevaru Temple
building at Sravanabelagola.

With reference to G.O.No. 742-45/Muz.125-35-2 dated 3-12-1935

sanctioning the re-construction of the above temple out of subscriptions collected by the devotees, I have the honor to forward herewith a copy of letter No.C.2107/33 dated 18-2-1936 from the Deputy Commissioner, Hassan District, recommending that in the circumstances explained a lumpsum grant of Rs 500 may be sanctioned towards the estimated cost of the work from the General Muzrai Fund grant.

As reported by the Deputy Commissioner, this is the only temple for the Hindus. In view of the above and of the fact that the devotees are contributing the major portion of the cost I recommend that sanction of Government may be obtained to pay an outright grant of Rs 500 from the State and General Muzrai Fund grant for construction and repairs of Muzrai institutions subject to the condition that the devotees execute the work in accordance with the estimate prepared by the P.W.D. and the design of the gopuram being approved by the Government Architect. The amount will be made available from the next year's grant.

The connected file is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

K. V. Anantaraman
Muzrai Commissioner.

Letter No.C.2107/33 dated 18-2-36 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Subject:- Re. the construction of the 3rd Iswaradevaru temple building at Bravanabelagola.

With reference to your letter No.D1 Dis.178/35-6 dated 5/9-12-35 on the above subject, I have the honor to forward herewith the connected records ending with Hassan Sub Division Officer's No.C3-1618-34 dated 29-1-1936 and to state as follows:-

2. The Amildar of Channarayapatna Taluk reports that on a petition presented to you, during your tour on 5-1-1936, by the Hindus of Bravanabelagol^a praying for a Government grant of $\frac{1}{4}$ of the estimated cost, you were pleased to inspect the building which is the only temple available for the Hindus of this place other than Jains, that the devotees of this temple have been rebuilding the temple with the greatest difficulty and that their prayer for a Government grant of $\frac{1}{4}$ of the estimated cost for the re-construction of the same deserves favourable consideration.

3. The Sub Division Officer also states that a Government grant of $\frac{1}{4}$ of the estimated cost may be sanctioned.

4. The plan and the estimate prepared by the Public Works Department are enclosed to the file. As the devotees themselves have undertaken to carry out this work, provisions made for two items in the estimate, viz., contingencies and tools and plant charges have to be excluded. There is already a sum of Rs 226 (in round figures) in the S.B. deposit for this work. It is also stated that some materials have been collected for the building. The Government, when they sanctioned the entrusting of this work to the devotees in their order No.742-45/Muz.125-35-2 dated 3-12-35 have directed that the cost should be met out of collection made for the purpose previously and deposited partly in Government Savings Bank at Channarayapatna and partly in the Co-operative Society at Bravanabelagola in addition to materials which the devotees of the temple have ready. I am of opinion that ~~xxx~~ this is a very deserving case and that their prayer for grant needs sympathetic consideration. When you last visited this place on 5-1-1936 you were also pleased to say that the request of the villagers for a Government grant would be favourably considered. I therefore recommend that sanction may kindly be accorded to a grant of Rs 500 for this work from the State or General Muzrai Fund.

5. The connected records accompany for reference and kind return when done with.
